

BARNSTAPLE RUGBY FOOTBALL CLUB

The Good Parent's Code

Behaviour/Respect - Parents Should:

- Remember that young people play rugby for their own enjoyment and not that of their parents, - Encourage young people to play - do not force them.
- Remember that all the coaches, Team Managers and helpers at the club are volunteers and give up their time freely, they should be respected, thanked and supported in this.
- Focus on the players teamwork and effort rather than winning or losing. Encourage players to behave with dignity in all circumstances.
- Be realistic about the players abilities; do not push them towards a level that they are not capable of achieving.
- Provide positive feedback both in the training and during the game.
- Always support the club in their efforts to eradicate loud, coarse and abusive behaviour from the game.
- Respect decisions made by the match Officials, even if they appear to make a mistake, and encourage the players to do likewise.
- Accept that BARNSTAPLE RFC will not condone any inappropriate behaviour. Any incident of inappropriate behaviour brought to the attention of the committee will be dealt with accordance with the relevant disciplinary procedures and may result in termination of the players membership of the club.

Parents are encouraged to:

- Be familiar with the coaching and training programme in order that you can ensure that your child is fully involved, and the coaches are aware of their availability.
- Respond in the timely manner when asked for availability using the age-group Facebook page. If unable to use Facebook group, please discuss with your Team Manager
- After match food is provided for the Squad and as parents you are to encourage and support your child in attending this, which is vital for team moral.
- Be involved in club activities and share your expertise, the club is run on volunteers and a little help from everyone goes a long way. This includes helping with the food after matches and at festival and other events that the club run.
